America's

Fundraiser!

Over 15 Million Dollars Raised Since 1993

The Scratch & Help Program is simplicity itself. A booklet customized with the name and logo of your organization, is given to each member of your group. The booklet has 50 scratch off circles with hidden donation amounts ranging from \$.50 to \$3.00. The donor is asked to scratch off two or more circles and donate the total amount uncovered.

In return for the donation and regardless of the amount, the donor receives valuable coupons from our sponsors. The group member then takes the booklet and continues asking other people to scratch and donate until it is completely uncovered. Each booklet comes with a pack of 30 coupon sheets. When a booklet is completed, it will produce \$100.00 in donations
